#### Fresh Produce

Family farms and small farms have the benefit of being able to offer specialized produce grown with fewer pesticides and robust flavor.

#### Support Farmers

FarmFresh was created with family farms in mind. You have the power to choose fresh, local produce and support the people in your community!

#### Happy Animals

Free-range should be the standard, not the exception. These animals are able to live good lives in the environments they enjoy.

A photograph of a small, white wooden farm stand with a red roof and a covered counter area. A person in a red shirt and blue pants stands in the doorway. The stand is situated in a large field of dark, tilled soil with rows of young green plants. In the background, there are trees and a green tractor.
